Rackham International Graduate Research Awards
Application Form

Name _____ UM ID# _____
(First) (Middle) (LAST)

Address _____
Number Street City State Zip

Email Address_____ Department _____

Expected date for reaching candidacy _____

Country(ies) of intended research: _____

ATTACH AND SUBMIT TO THE INTERNATIONAL INSTITUTE TWO COPIES OF:

1. A statement of no more than three 12-font double-spaced pages, written in a language for non-specialists, that describes the proposed research and explains its significance and feasibility. Applicants should also discuss any language skills they may need to conduct the proposed research.

2. A full budget and timetable discussion that presents anticipated costs and shows all other sources of support, pending and confirmed, for the proposed period of research.

3. A letter of no more than two pages from the student's principal adviser (chair of the dissertation committee, if the student has an approved dissertation proposal). The writer should address the student's achievement and promise, previous sources of support, and any obstacles facing the student in securing external or internal funding for research abroad. The letter should be submitted in a sealed enveloped signed across the flap.

4. An unofficial copy of the University of Michigan graduate academic record (transcript).

5. An application form signed by the graduate chair or director of graduate studies.

6. A resumé/curriculum vitae.
