Planned Research/Writing Activity for the Period:

- A. To be eligible for Dissertation Research/Writing the student must have advanced to Candidate status, be making satisfactory progress toward their degree, and must plan to make work toward the degree their primary activity during that period of time. Continued access to library privileges must be arranged at the circulation desk of the Graduate Library. Students in this designation may not hold a GSI, GSRA, or GSSA appointment, and may not work at the University unless they apply for and receive permission from Rackham OARD.
- B. The period of Dissertation Research/Writing covered by this Certification must be **no longer than 12 months**, and this form should be issued to the student no more than five months before the beginning of that period. If a student enrolls in coursework during the period of Dissertation/Writing Research, the entire Research period will be cancelled. Students may not be certified for Dissertation/Writing Research during the "grace period" to complete Ph. D. requirements.
- C. This form must be delivered to the Department office in person by the student requesting Dissertation Research/Writing certification. Facsimile or mailing of the form to the department will not be accepted.
- D. Renewal is subject to the approval of the Graduate Department and Graduate School.

I hereby affirm that all the information herewith reported is correct and complete to the best of my knowledge. I further agree to immediately notify the graduate office of my department, the graduate school in writing and to update Wolverine Access for any changes in my locations (excluding those listed above) for the period of dissertation research listed above.
