We are deeply grateful to Rackham alumni and friends who choose to support Rackham graduate students each year. In the Victors for Michigan campaign, our sole priority is graduate student support. We provide funding through fellowships, conference travel grants, research awards, emergency funding, and summer stipends. Generous gifts from donors also provide funding for innovative programs, services, activities and community-building social events that support graduate student achievement and professional development. Your gifts help ensure graduate students receive the resources they need to excel and thrive in graduate school.

The 2016 Printer’s Proof represents donor gifts received this year through September 1, 2016. We have made every effort to ensure that you are properly recognized for both individual and matching gifts received during this period. If you feel that there is an error, please contact Melissa Herter at rackham.alums.umich.edu or 734-764-1125 to make corrections.

It is not too late to change your status! If you would like to be recognized at a higher giving level, please use the enclosed form to send your contribution or visit our website at https://leadersandbest.umich.edu/find/#/scu/rackham. In order to ensure that your gift is properly credited in the final version of the Rackham Honor Roll, it must be received by December 31, 2016.

Thank you for your continued support of the Rackham Graduate School!
