

HONOR ROLL OF DONORS

FOR THE FISCAL YEAR 2012

The 2012 fiscal year, which ended on June 30, saw the launch of the Rackham Centennial - the 100th anniversary of the creation of a graduate school at the University of Michigan. Our celebration included various activities to acknowledge the notable achievements of our alumni and engage our current students as they look forward to the future.

Each year, your generous gifts are a critical source of financial support to graduate students at the University of Michigan. For the fiscal year covered by this Honor Roll, your gifts supported the Centennial Spring/Summer Fellowships, which provided summer funding in 2012 for 100 master's and doctoral students to work on research, scholarly, or creative projects in collaboration with faculty mentors.

The excellence of a great public research university centers on the quality of its graduate programs. Because you share our commitment to providing the best possible graduate experience for our students, you are an essential part of their success.

Thank you.

The Rackham Graduate School gratefully acknowledges gifts received between July 1, 2011, and June 30, 2012, from our alumni and friends.

Donors whose gifts were received after June 30, 2012 will be recognized in our next Honor Roll of Donors.

Corporate Matching Gifts play a vital role in our ability to provide student and program support. In this Honor Roll, we continue to credit each donor with his or her corporate matching gift. Therefore, you may find yourself listed in a higher giving range than expected.

If you discover any discrepancies with the listing of your gift or if we inadvertently omitted your name, please accept our apologies and help us set the record straight. We can be reached by mail using the form on page 17. You may also reach us by telephone, fax, and e-mail. Our contact information may be found on the last page of this report.

Thank you again for your generous support of graduate education at the University of Michigan.
