

I AM RACKHAM

**RACKHAM
GRADUATE SCHOOL**
UNIVERSITY OF MICHIGAN

HONOR ROLL OF DONORS FOR CALENDAR YEAR 2014

Your gift to the Rackham Graduate School in calendar year 2014 was an important contribution in support of graduate students across the spectrum of academic fields at the University of Michigan.

At Rackham, our sole priority in the Victors for Michigan campaign is financial support for graduate students. With close to 9,000 students in 109 Ph.D., 92 master's, and 35 certificate programs, your gift matters. Your help allows a graduate student to take maximum advantage of the research and educational opportunities at the University, participate fully in the life of the diverse campus community, and acquire the teaching and leadership skills needed for a wide range of careers.

Thank you for giving back to graduate students. You are an essential part of their success.

The Rackham Report and Honor Roll recognizes the generosity of Rackham alumni and friends who donated in calendar year 2014. Corporate Matching Gifts play a vital role in our ability to provide student and program support. In this Honor Roll, we continue to credit each donor with his or her corporate matching gift. Therefore, you may find yourself listed in a higher giving range than expected.

Thank you again for your generous support of graduate education at the University of Michigan.
