

I AM RACKHAM

HONOR ROLL OF DONORS FOR CALENDAR YEAR 2015

Your 2015 gift to the Rackham Graduate School was an important contribution in support of graduate students across the spectrum of academic fields at the University of Michigan. At Rackham, our sole priority in the Victors for Michigan campaign is supporting graduate students. In addition to developing comprehensive programs and services for graduate students, your support helped us fund more than 6,300 students. Your gift allowed graduate students to take maximum advantage of the research and educational opportunities at the University, participate fully in the life of the diverse campus community, and acquire the teaching and leadership skills needed for a wide range of careers.

Thank you for giving back to graduate students. You are integral to their success.

The Rackham Report and Honor Roll recognizes the generosity of Rackham alumni and friends who donated in calendar year 2015. Corporate Matching Gifts play a vital role in our ability to provide student and program support. In this Honor Roll, we continue to credit each donor with his or her corporate matching gift. Therefore, you may find yourself listed in a higher giving range than expected.

Thank you again for your generous support of graduate education at the University of Michigan.
