

Dear Immunology and PIBS students,

The Immunology recruiting weekend in conjunction with PIBS will be March 6 - March 8. Faculty interviews and all of our events will take place on Friday, March 7.

Our alternate weekend is the following weekend, March 13 - March 14. Faculty interviews and all of our events for the alternate weekend will take place on Friday, March 14. I will send out a separate email regarding our alternate weekend recruiting events.

As you know, this is a key day for the Immunology Program, as it is our opportunity to recruit the very best students for our program. As you probably remember, it is very valuable for our guests to have a chance to meet and chat with as many students as possible.

Whether you have received a hosting assignment or not (I sent all of the assignments out this afternoon), we would still like you to attend the Immunology lunch and the Zanzibar reception. You are also encouraged to attend the 4:00 reception for second choice applicants.

All of you are cordially invited to the following events. Please do your best to attend.

Please let me know which of the following events you will be able to participate in by Friday, February 29.

Our March Primary Recruiting Events for Friday, March 7 include:

1. Immunology Luncheon for first choice Immunology applicants  
Friday, March 7  
12:00 noon  
2903 LRC (same room we use for Journal Club)
2. Immunology reception for second choice Immunology applicants  
Friday, March 7  
4:00 p.m.  
3114 Med. Sci I
3. Immunology dinner reception for first choice Immunology applicants  
Friday, March 7  
6:00 p.m.
